4 I, Yoni Santiago Gutierrez Gonzalez, declare:

5
6 ① I am detained in FCI Victorville II. I
7 got here July 14, 2018.

8
9 ② I am seeking asylum in the U.S.

10
11 ③ When we arrived at Victorville, we were
12 shackled. We had to take off all of
13 our clothes and be searched. I have
14 also been strip searched two other
15 times after legal visits.

16
17 ④ I filled out a form when we first got here
18 asking about my mental health. It was in
19 Spanish. I put that I was depressed and
20 wanted to see a psychologist. I was
21 feeling depressed because of the awful
22 things that had happened to me before I
23 fled to the U.S. No one came to see
24 me about my form.

25
26 ⑤ About 11 days after I arrived, I was
27 finally able to make a call to my mom.
28 She gave me the bad news that my

3
4 ⑥ I reacted very strongly to the news. I
5 yelled and began to cry and lost control.
6 I couldn't really talk but my friend
7 heard what had happened. Some guards
8 started laughing at me.

9
10 ⑦ 5 officials surrounded me. My friend told
11 them that I had just gotten bad news.
12 They took me by the arms and we started
13 walking. I didn't know where we were
14 going.

15
16 ⑧ They put me in a little hallway all alone.
17 I was surrounded by 3 officials. About an
18 hour and a half later, a psychologist arrived.
19 She didn't speak Spanish, so she brought
20 along another detainee to translate. I felt
21 really depressed by that point.

22 ⑨ She asked me what I needed and if I
23 was going to hurt myself. I told her my
24 dad had been killed but I wasn't going
25 to hurt myself.

26
27 ⑩ I asked her for aspirin for my heart.
28 I have a history of heart problems. My doctor

2 in my country told me to avoid strong
3 emotions, because I feel like I am drowning
4 and can't breathe.

5
6 ⑪ No one asked me any questions about
7 my history of heart problems when I got
8 to Victorville and it was not one of
9 the questions on the form.

10
11 ⑫ The ^{aspirin} psychologist told me she didn't have
12 any. She promised me a call to my mom
13 that I haven't been able to make. She left
14 and I was left in the hall for another hour and a half.

15 ⑬ Three days later I had another appointment.
16 This was with a different woman. She also
17 didn't speak Spanish and another detainee
18 had to translate. This appointment took
19 place in the hallway of my housing
20 unit, A upper, in front of all of my
21 acquaintances. I felt like I had no privacy
22 and didn't answer her questions comfortably.
23 She told me that if I keep asking for the
24 psychologist they were going to put me
25 in isolation.

26
27 ⑭ I have written notes to ICE telling them
28 I don't feel well mentally because of my
